SAFE USE OF TRAFFIC ZONE

The KISS‘N’GO ZONE is aimed to help overcome the level of local traffic congestion experienced during the morning set-down and afternoon pick-up of school children in Bath Street.

The KISS‘N’GO ZONE project received a Highly Commended commendation in the 2000 Northern Territory Better Practice in Local Government Awards, for providing a safe pick up and drop off point for school children.

The KISS‘N’GO ZONE resulted from consultation with parents and teachers of OLSH College Bath Street Campus.

The KISS‘N’GO ZONE is jointly supported by OLSH and the Alice Springs Town Council. The zone is a benefit for all. Thank you to all parents, teachers and children for your cooperation.
